About Us

A beautiful hidden private property with 12 arable acres of lush grass. Serene View has over 200 metres of frontage on the Hawkesbury River and includes a beach, peaceful gardens and a log cabin.

Our cabin has a unique chalet feel, sleeps up to 11 people and is equipped with a kitchen, bathroom, laundry facilities and two living spaces. There is also a large outdoor entertaining area featuring a wet bar that will allow plenty of room for the bridal party and guests to enjoy throughout the celebration.

Located an hour from Sydney, 12 minutes from Windsor and only 5 minutes from Pitt Town shops. Our venue provides acres of privacy, relaxing river views, all close to accommodation and everything you or your guests may need.

DIY Extended Stay Venue

Serene View is a dry hire wedding venue that now offers extended stay in the Hawkesbury.

It can take a lot of time, money and effort organising your wedding and it can be difficult to spend time with everyone.

By hosting your wedding at Serene View, you exclusively hire our venue for 4 nights which gives you plenty of time to celebrate with family and friends.

How does a dry hire venue work? You hire the venue and bring in the vendors, which gives you more flexibility with your budget and versatility to create the wedding of your dreams.
